PERCEPTION CHECKING GUIDE

CONVERSATION OR MEETING	PRIVATE THOUGHTS	BRINGING THEM TO NEUTRAL	PUBLIC THOUGHTS
-------------------------	------------------	--------------------------	-----------------

professional learning community meeting led by grade level team lead

I'm frustrated that two team members continue to monopolize the conversation; they're not giving anyone else a chance to talk; they just want things done their way

Others may have something they want to share. These two team members may not even be aware of this and simply trying to take the lead because no one else does.

"Can I pause you real quick to clarify? You've said ____ (respecting their value). Joe & Jill (inactive participants), how does this fit in with what you're thinking so we can hear everyone's thoughts?"
