Student-Led Conference Plan

We are all looking forward to your upcoming student-led conference! To prepare, you will reflect on your portfolio and recent work. You will identify strengths, areas of growth, and action steps for the future.

Subject	Strength: What are your specific strengths? Where in your work do you display these strengths?	Areas of Growth: Which skills have you not yet mastered? Where in your work do you notice improvement is needed?	Action Steps: What do you need (from yourself, your family, and your teachers) in order to work toward mastering these skills or improving?
